Discount on Non Covered Procedures

**Disclaimer:** You are strongly encouraged to verify with the provider whether he or she is participating or nonparticipating. Such information may assist in your selection of provider(s) and may affect your deductible, co-insurance, and out of pocket expenses. Even with daily updates to the on-line directory, there is no guarantee that a provider listed in the directory will still be a network provider at the time dental services are performed. When making an appointment, and again at the time of the appointment, please verify network participation with the dentist.

Should you have questions regarding the provider directory or benefits, please contact Customer Connections at 800-487-5553.
