The VSP Global Premier Program is intended to help VSP members maximize their vision care benefits. The Premier indicator is not meant as a designation of care quality as all of our doctors already meet VSP's high quality standards for professional services. The doctor's information and Premier status is subject to change.

**Advanced eye exam technology may not be available at all Premier Program participants.*

This information is proprietary, and may only be used in connection with the provision of eye care services under a VSP eyecare plan. Any other use is prohibited. Any unfair and prohibited use of the information for any prohibited and improper purpose could subject the user to liability for improper use.

Please check with your VSP doctor to confirm he or she provides the services you need.

Please note that not all locations offer all services. Eye Exams may be performed by Independent Doctors of Optometry at a location adjacent to retail locations, as required by law. Please confirm what services are available when making your appointment and whether all providers participate in your network.
